Improvements based on your responses:

- We will be purchasing Cardio equipment that allows members to track their workouts, calories and heart rates via an integrated App
- The equipment provides improved sound and TV image quality
- The new Cardio allows members to take part in Cardio Challenges
- The new Spin bikes have integrated HR & Calorie connectivity
- We will be purchasing new barbells and a GHD
- We will purchasing new Hammer Strength Bench Press Equipment
- We will be purchasing some new Leg Machines
- We will be purchasing extra Steppers
- We will be purchasing new curved Skill Mill treadmills
- We will be running new Cardio machine based classes – see your heart rate and calories burnt on the member profile screen
- Unfortunately we don't have the space for pilates reformers at this time
- We hope to have the new equipment installed in Jan 2018
